Re: Invitation to Express Interest in Serving as a Member of the State Interagency Council

The State Interagency Council (SIAC) for services to children, adolescents & transition age youth with, or at risk of developing, behavioral health issues is a statutorily created body of state agency administrators, and a parent & youth member who oversee coordinated policy development, comprehensive planning and collaborative budgeting for services. (KRS 200.501-509)

To indicate your interest in serving as a member partner on SIAC:

- Please submit your Letter of Interest by October 16, 2015.
- SIAC will review all Letters of Interest and hold a formal vote on the proposals received to select the Family Organization to be added as a member of SIAC during the November 18, 2015.
- SIAC plans to notify applicants of their decision by December 31, 2015.
